Initial and Advanced Program Activities with Stakeholders

PROGRAM IMPROVEMENT and ASSESSMENT COMMITTEE (PIAC)

The Program Improvement and Assessment Committee (PIAC) former known as The Unit Accreditation Coordinating Council (UACC) provides a forum for collaborative and cross-disciplinary work on unit and program assessments. The PIAC meet a minimum of five times during academic school year and is comprised of program coordinators from each initial and advanced program accountable to the Council for the Accreditation of Educator Preparation (CAEP). Sub-committees monitored the work of the whole to ensure the unit was addressing the CAEP standards. All meeting agendas, materials and minutes are managed for the School of Education in LiveText. The image on page two is a snapshot of the meetings held and recorded in LiveText for the meetings that occurred during Academic Year 2021-2022. The table below is a listing of the faculty representatives present at those meetings.

EDUCATION AFFILIATION AGREEMENTS

SIUC requires an Education Affiliation Agreement for every school or internship site where initial and advanced candidates are placed for clinical experiences. In 2021, SIUC partnered with 241 schools across three regions of the state. The agreements are signed with final approval by the Provost and Chancellor and remains in effect for a period of five (5) years. We also ensure that we are in compliance with legal affairs by following the protocol stated on our SIU Extended Campus website <https://extendedcampus.siu.edu/compliance/mou-protocol.php>.
