

MEASURE 3: CANDIDATE COMPETENCY AT COMPLETION

(R3.3, RA3.4)

SIUC Content Test Averages Initial For Academic Year 2021 - 2022

BACKGROUND

The purpose of the Content Area Test is to assess a preservice teacher's knowledge and understanding of educational practices foundational to beginning a career as a professional teacher. Successful completion means meeting the cut score (240) to become eligible for a Professional Educator License in the state of Illinois. The data is collected from the Illinois Licensure Testing System (ILTS) report through the Illinois State Board of Education (ISBE). The content area tests are aligned to the Illinois Professional Teaching Standards.

QUALITY ASSURANCE

The constructs measured in the Content Area tests are aligned to the 2014 Illinois Professional Teaching Standards and national standards for individual specialty program areas.

SUPPORT FOR IMPROVEMENT

At the Program Improvement and Assessment Committee (PIAC) formerly Unit Accreditation Coordinating Council (UACC) meetings, trends over time and comparisons of data from candidates across programs are analyzed. Areas of strength and areas for improvement are identified. Recommendations are then brought to the appropriate stakeholders to be discussed and implemented. This assessment tool and its data are used by programs as a key assessment when reviewing their programs, their candidates' progress. The candidates begin taking their Content Area Test at the time of admission into the Teacher Education Program. The Unit recently implemented a mandatory tutoring session for candidates that fail their Content Area Test two consecutive times before making further attempts.

RESULTS

For the AY 2021 and 2022, 80% of the unit's initial licensure candidates have passed their content exam at a higher rate (2% - 4%) than the state average.

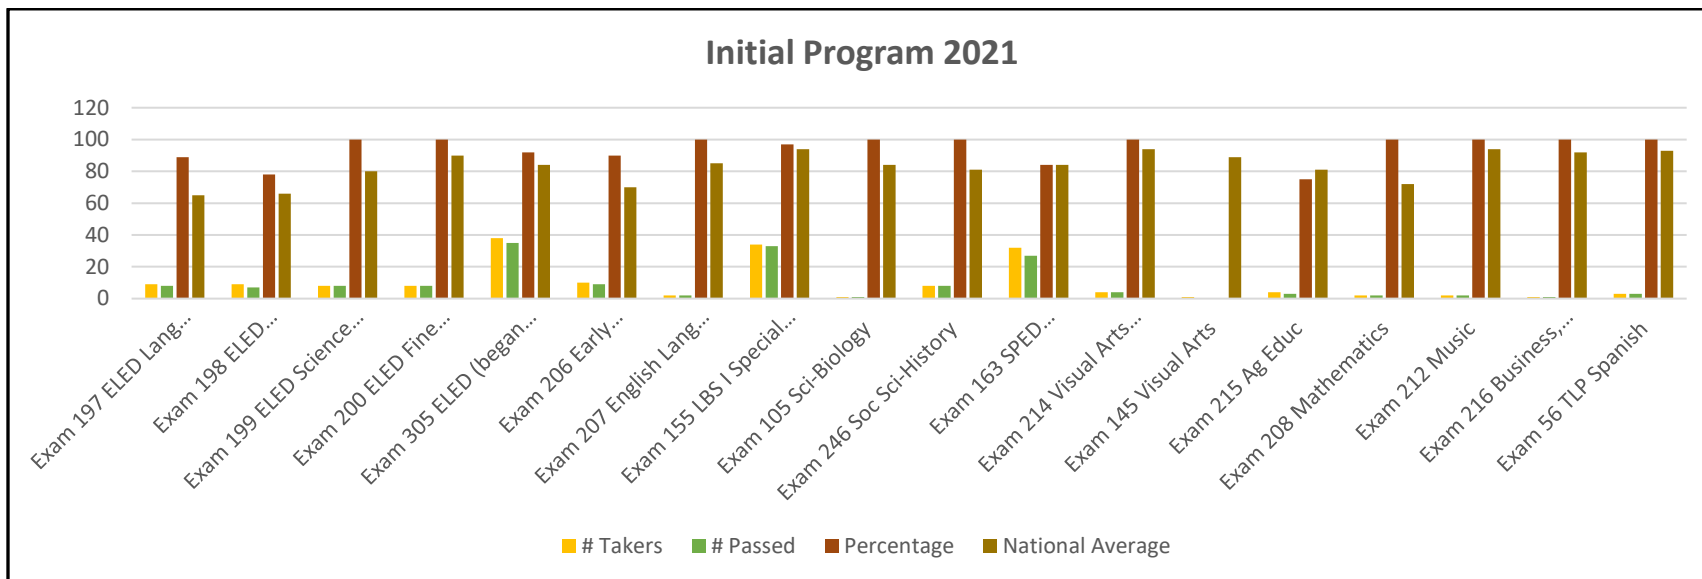

Mastery of Teaching Subjects Reports-Initial Program- 2021

Percentage of Pass Rate by Program: The unit shows that AY 2021 had 176 candidates tested yielding an average of 89% while the state yielded 83% average.
